## Professional Diploma in Cosmetology

The development of clinical cosmetology represents an important breakthrough in the development of medical sciences. Great technological developments have already taken place in this field and many are yet to occur. In parallel, there is a growing interest from both the medical community and the patients, who are looking for personalised aesthetic solutions.

Professional Diploma in Cosmetology by ILAMED equips students with the knowledge and expertise required to be experts in cosmetology treatments. ILAMED follows world-class curricula and focuses on international guidelines to provide the latest training to students and make them highly competent medical professionals.
