

## Diploma in Hair Cutting and Spa Saloon

As the demand is growing, we want more young and dedicated people to join our team by taking our hair stylist courses and training. Once you have completed the [hair cutting class](#), we shall provide an internship opportunity at MeriBindiya Academy to implement whatever you have learned during the hair stylist course theory classes.

You can also take admission in our hair and makeup courses as all our courses are NSDC approved and ISO certified. Whether you are taking admission in [diploma in hairdressing](#) or opting for a hairdressing certificate course, we only take small batches so that we can pay individual attention to everyone in the batch. In all our hair styling classes, the instructors/teachers foster a learning environment. Post completion of the hairdresser course, we will provide 100% placement.

### THE COURSE EXTENSIVELY COVERS THE FOLLOWING:

- Knowledge of Hair
- Machine Knowledge (Crimping, Ironing, Blow Dry)
- Thermal Work (Velcro Setting, Curling Styles, Ironing Techniques)
- Deep Conditioning Treatment
- Heena Application
- Hair Spa Treatment
- Shampoo Technique
- Kera Treatment for Hair Fall
- Hair Treatments Home Remedies for Hair fall, Dandruff, Silky Smooth Hair, Dehydrated Hair
- Grey Coverage
- Hair cutting (5-6 Techniques)
