International Diploma in Hair Technology

A hair designer's primary job is to creatively play around with the crowning glory aka hair of clients and make them look gorgeous, attractive and powerful in their own style

A Diploma in Hair Designing at Orane International empowers you with on-trend and contemporary hairstyles, haircuts and hair treatments while instilling the creativity that challenges the hairdresser in you every single day

Acquire unmatchable skills with the beauty education leader Orane International and pave way for a highly rewarding career by learning from industry experts in a state-of- the-art salon setting with world-class hair styling tools and products

Course Content

The level 3 Diploma in Hair Designing begins with an introduction to hairdressing, making you aware of hygiene, sanitation & sterilization; health, safety, hazards and risk; and familiarizing you with various tools that will be used the daily course of work

You will be introduced to the anatomy of hair and scalp, various hair disorders and basics of shampoo and conditioning, sectioning and Indian head massage

Gradually the course covers in-demand thermal styling techniques like ironing, crimping, tonging, blow-drying, hot rollers, velcro rollers setting and waving, besides hair straightening and perming

You'll get hands-on involvement and training on over 25 different haircuts including:

- Uniform Layers
- Graduation
- Basic Concave
- Long Shake
- Razor
