Doctor Of Medicine In Electro-Homeopathy

Description

Doctor of Medicine in Electro Homeopathy: Homeopathy was recognized & familiarised in India since 1973. It is a very old medical system entirely based on the belief that the human body can cure itself. It was originated in the late 1700s in Germany. Apart from India, it is also very popular in many European countries.

Homeopathy is basically a complementary or alternative medicine. Generally, homeopathy is quite different from treatments that are part of Western Medicine in vital ways.
