Chairman Desk

भारत सरकार पंजीकृत.

A Heartly welcome to “Central Education & Information Technology Research Committee“...!

We are extremely happy to note your interest in joining our Revolutionary educational formate, which represents a unique Integration of National Heritage & modern Education. CEITRC was established in 2009. Since its inception, CEITRC has focused on fulfillment of dream of imparting education that would equip a large number of student to contribute productively towards the development of strong modern India.

The Government of India has taken a number of landmark initiatives. The 'Digital India' program is committed to take the cause of good governance forward, in both letter and spirit. Digital India is viewed as a 'game changer', from the perspective of delivery of pro-citizen good governance, with the synchronized and coordinated engagement of the entire Government....

I am happy to note that through proactive use of technology, capacity building and process re-engineering initiatives, CEITRC has made efforts to leverage its capacity and create synergy in the area of training and support services. Also, in tune with the changing times, CEITRC has diversified and spread its wing by expanding its repertoire of activities. Recently, CEITRC has also taken up new capacity building initiatives in the areas of Brain Development Program's, Scholarship Exam's, Handwriting Exam's, e-Governance, Cloud Computing, etc. e-Contents are being developed to usher in a new paradigm of learning.

I congratulate CEITRC for its endeavor to spread IT literacy and education across the country. The efforts made by CEITRC in implementing various government schemes by scaling up its operations and leveraging its capacities, are praiseworthy.

The integrated CEITRC Website is a welcome step towards uniformity, dynamism and improved services for stakeholders and I wish CEITRC success in its future efforts.
