## Post - Graduate Diploma in Beauty Therapy

Beautician courses are a complete set of courses dealing with Personal Grooming, Skin Treatment, Makeup, Nail Art, Hair Styling, etc.

Syllabus of Beautician course will depend on the level of course chosen. The range of common topics includes skincare, makeup, haircare, health and nutrition, chemical treatments, manicures and nail care, pedicures, business management and customer care. All the common subjects are a mix of theory classes and practical classes.

The makeup industry is at a steady growth. The demand for certified professionals has also risen. Jobs can be found in a traditional setting like parlours, salons and spas. However, one can also carve out a career online, as a makeup consultant. Syllabus of Beautician Course include not just the essential topics but also nutrition, diet, communication skills, business administrative skills etc. Students learn how to make people look and feel good while also working on their own development.

Beautician courses are available in certificates, diplomas, advanced diplomas and bachelor's degree programmes. The basic eligibility criteria for admission in class 12th from a recognized board of education. Admissions are done on a merit basis.
